

# Could **you** cycle from Great North Children's Hospital to Cumberland Infirmary to raise awareness of the **Climate Emergency** and its impact on **child health**?

Ride for Their Lives is organised by Climate Acceptance Studios, who will be delivering demands for action from the global health community at COP26 in Glasgow. Find out more via the QR.

Get in the saddle and join other Trust staff members and UK health professionals on **Ride for Their Lives**.

**Setting off: 29th October 2021**
